## Church Langton Church of England Primary School Newsletter – Updates and Announcements

Since joining and visiting this school, our strong sense of community has been clear to me from the outset and it has been especially evident this past week—whether through visits to classrooms, listening to the children sing in singing assembly, conversations with children at break and lunchtime, or the friendly greetings on the school gate.

There have been so many highlights for me this week, whether it be seeing the joy on the faces of our EYFS children as they learnt about Goldilocks and The Three Bears, the excitement of our Year 4 children on Wednesday morning as they headed off on their residential, watching the children play together on the school field at lunchtime and listening, joining Year 6 at their SATs booster class or our Year 5 children sharing their presentations with Year 6, all have been a wonderful example of our children's enthusiasm for every learning opportunity. What whirlwind of activity and fun learning we have had!

Kind regards

*S. Ross*

Mr Ross

## Severn Trent

Yesterday, we were lucky to be joined by Severn Trent Water for an informative assembly. Seeing the children engage so well with topics like water conservation and sustainability was yet another example of how mature and conscientious the pupils at this school can be about important topics.

### **Governor Spot**

Governors would like to welcome Mr Ross as he takes over as Headteacher at Church Langton C of E Primary School and hope he will be happy in post.

The Governors welcome everyone back to the summer term, with much to look forward to including Year 6 pupils becoming Secondary ready and opening the next chapter in their school lives.

### **The Langton Community Hall Carpark**

We are extremely lucky to have the continued use of the Langton Community Hall carpark. A rarity in primary schools, particularly those in rural locations. Please remember to be considerate to other drivers and pedestrians when parking. As a school that holds kindness and respect in the highest regard, I urge you to mirror these expectations in adult interactions too. In addition, we do have families with blue badges, therefore I respectfully ask you to be mindful when parking and to keep the allocated accessible spaces free for families who need to park closer to school. Many thanks in advance for your continued support and cooperation.

## Opportunity for Year 6

### **Vox: Share what matters**

What's life all about? Where do I belong?  
How can I find meaning and purpose? And  
what's that all got to do with Christianity?

Vox is an opportunity to listen in to honest  
conversations about things that matter.  
A camera crew follows six young people as  
they head to a location in the middle of  
nowhere so they can get back to the basics  
of life and the Christian faith.

Led by Brian Boley  
07968 346127  
[pastor@thechapelcentre.org.uk](mailto:pastor@thechapelcentre.org.uk)

Over eight episodes, we will join six young people  
as they open up the Bible to explore Christianity  
and find out what God has to say about himself,  
about us, and about life here on earth.

We will listen to their conversations as they wrestle  
with their own questions, and share what matters  
to them. We can also talk about these things  
ourselves as we share what matters to us.

Mon 18 May	Ep 1: What it's all about
Tue 19 May	Ep 2: It's Christmas!
Mon 1 June	Ep 3: Who is in charge?
Mon 8 June	Ep 4: Game-changer
Mon 15 June	Ep 5: Cancel Culture
Mon 22 June	Ep 6: You're welcome!
Mon 29 June	Ep 7: Is this justice?
Mon 6 July	Ep 8: This is just the beginning

## Our Baby Elephants are one!

Can you believe it's been a year since our Baby Elephants arrived in schools as part of Stomp Round Leicester?

Over the past year, these colourful characters have truly become part of school life — proudly displayed in receptions, corridors, and classrooms, and helping spark conversations about kindness, community, and supporting others.

We've loved seeing how schools have embraced their elephants, from naming and decorating them to using them as a focus for fundraising, creativity, and learning. As they turn one, we'd love to celebrate their journeys — so if you'd like to share a photo or a short update about how your Baby Elephant is getting on, we'd be delighted to hear from you.

*Thank you for giving them such wonderful homes — and for everything they continue to represent.*
