Newsletter – Updates and Announcements

Dear Parents and Carers,

The children have all done brilliantly this week in what has been testing weather conditions at times. Although some events have been cancelled or postponed, the children have coped admirably with the change and reminded us all what a resilient and enduring group they are. A special thanks must also go to you as parents for your help and adaptability as well as the teaching staff for ensuring children remained safe yet still engaged with learning. We're very much looking forward to next week with so many exciting things going on – transition morning, Year 2 Twycross Zoo and Year 6 performance. I hope you have a relaxing weekend.

On Wednesday, Year 5 attend Welland Park for an experience day. It was a pleasure for me to receive this email regarding the behaviour of Church Langton pupils.

'I am writing to let you know how wonderful your Year 5 children were on their Year 5 Experience Day with us at WPA earlier this week.

Your children were a real pleasure to welcome into our school. They showed great respect, demonstrated lovely teamwork and were thoroughly engaged in their lessons. During break and lunchtimes, your children were beautifully behaved and lovely to chat to.'

We raised an incredible £1780 in cash and online donations from our Great Athletics event. A huge thank you to everyone who took part.

Thank you for your continued support.

Kind regards

S. Ross

Colour Run 2026

Friday 3rd July 2026

Starting at 3.15pm on the school field

This is a really fun and inclusive event for all children at school, and we hope as many families as possible will come along to enjoy the afternoon together.

Book your place

The cost is £8 per child, which includes:

- A white t-shirt (handed out on the day)*
- Coloured powder for the event*

Places can be booked here: <https://www.trybooking.com/uk/GPFV>

Please make sure you read the Terms and Conditions carefully when completing your booking.

Make an afternoon of it

We'll get started as soon as school finishes at 3.15pm, and we'd love families to stay and enjoy the atmosphere. Feel free to bring a picnic and make the most of the afternoon. There will also be a small selection refreshments available to purchase, including adult drinks from Jon at The Sipping Social.

Supporting our school

Every penny raised from the Colour Run goes directly back into supporting the school. Earlier this year, FoCLS funded the fantastic new outdoor classroom and, since then, we've also purchased new aprons for the art room and are about to invest in new outdoor development equipment for Reception.

What Educators Need to Know about INVOICE FRAUD

WHAT ARE THE RISKS?

Invoice fraud, including payment diversion fraud, occurs when criminals deceive you into paying a fake invoice or redirect a genuine payment into their own bank account. Fraudsters may impersonate suppliers, intercept emails, or send convincing invoices to prompt urgent payment into fraudulent accounts. It is one of the most common and costly forms of financial crime affecting individuals, businesses, and schools.

COMMUNICATIONS CLAIMING URGENCY

Communications that claim to be urgent or highlight late payments may be a key sign. Fraudsters often apply pressure to rush decisions and stop checks. Take a moment to verify the request using trusted contacts before making any payment.

CHANGES TO BANK DETAILS

Receiving messages saying a regular supplier has changed their bank account details can be a warning sign. Fraudsters may impersonate contacts to redirect payments. Always verify changes first using known supplier contact details.

DISCREPANCIES AGAINST PREVIOUS INVOICES

Be wary of invoice details that don't match authentic, previously issued invoices, such as amounts, reference numbers or contact names. Fraudsters often alter small details to avoid detection. Always query any differences using your supplier's contact details.

MINOR EMAIL CHANGES

Look out for slight changes to a supplier's email address, such as extra characters or spelling differences. Fraudsters often use similar looking addresses to appear genuine. Always check the sender carefully and verify any concerns using known contact details before responding or making a payment.

UNEXPECTED PAYMENT REQUESTS

Invoices or payment requests for goods or services you do not recognise can be a warning sign. Fraudsters may send false invoices hoping they will be paid without question. Check records and confirm with the supplier before processing any unfamiliar request.

UNUSUAL LANGUAGE OR TONE

Messages with unusual wording, grammar or spelling compared to your usual supplier communications may indicate fraud. Criminals often copy legitimate messages but may not match the usual tone or style. The rise in artificial intelligence (AI) means errors are no longer as common or obvious. Be cautious and verify the request if anything seems out of place.

Advice for Parents & Educators

VERIFY BANK DETAILS

Always confirm any change to a supplier's bank details before making a payment. Use a trusted phone number or a long-standing contact you have used before, not the details provided in the request. This helps ensure you are dealing with a genuine supplier and prevents payments being redirected to fraudsters.

CROSS-CHECK INVOICES

Compare new invoices with those previously issued by the supplier in question. Check key details such as amounts, bank details, reference numbers and contact information. Differences may indicate fraud, so always investigate and verify anything that does not match before making a payment.

DUAL PAYMENT APPROVAL

Ask a trusted person to review and approve high-value payments. A second set of eyes can help spot unusual details or warning signs that might otherwise be missed. This adds an extra layer of control and reduces the risk of errors or fraudulent payments being processed.

REPORT FRAUD QUICKLY

If you suspect fraud, act immediately. Contact your bank using 159 or their official number and report it to Report Fraud online or by calling 0300 123 2040. Keep all emails and documents. For more guidance, or to register for counter fraud alerts, see DfE counter fraud guidance. You can find the invoice fraud leaflet on the National Crime Agency website.
