Church Langton Church of England Primary School Newsletter – Updates and Announcements

Dear Parents and Carers,

Whole School Newsletter

What have we been up to in Year 4?

What a fantastic few weeks we have had in Year 4! We have been busy learning, creating and discovering lots of exciting new things together.

Guided Reading: We have been diving into *The Butterfly Lion* by Michael Morpurgo. We have been making predictions, exploring characters, and discussing the story as we uncover more of this wonderful book.

English: Things have got a little mythical! We have been busy creating and writing descriptions of our very own mythical creatures. We have been using ambitious vocabulary and descriptive language to bring our imaginations to life.

Geography: We have been following the journey of a river! We have learnt all about the features of rivers, including their source, mouth, tributaries, and meanders, and have explored how rivers change as they travel through the landscape.

It has been wonderful to see the children throwing themselves into their learning with such enthusiasm. We have already packed so much and there is plenty more excitement to come!

The magic unicorn was cautious because she sensed a hidden dragon nearby.

When the majestic unicorn traced Dryads dance around it and gave it magic.

The Dryads were dancing around the tree but the dragon coiled around the tree and they stopped dancing around the tree.

Censhielder

The Censhielder has ~~strong~~ two shields as strong as steel. With fire hardening it and heating it to 1000°C.

A beast full of fury, fire and anger it roams in the deserts an england country side.

A huge, ~~scary~~ ^{terrifying} defdefining teeth and Red glowing eyes.
