Church Langton Church of England Primary School

Newsletter – Updates and Announcements

Dear Parents and Carers,

Whole School Newsletter

Year 3 have had a fantastic start to the year! We have been learning lots of new things and I've loved the enthusiasm shown by everyone!

English: This week we have been learning about fronted adverbials and I have been blown away by some of the sentences I've seen. Keep up the great work, Year 3!

Maths: We have been adding and subtracting 10s and 1s from 3 digit numbers this week as well as learning the fact family for 3x3. We enjoyed playing a game of 'Around the World' to test our speed and accuracy.

Science: We have been studying rocks this term and have focused on fossils this week. We found out about how fossils are formed and then researched some facts about ammonites.

Geography: This term is all about maps and compasses! This week, we looked at human and physical features of different areas.

PE: We have been practicing our gymnastics routines, using the rolls, balances and jumps we have been learning about over the past few weeks. I can't wait to see your final routines next week!

Keep up the fantastic work, Year 3!

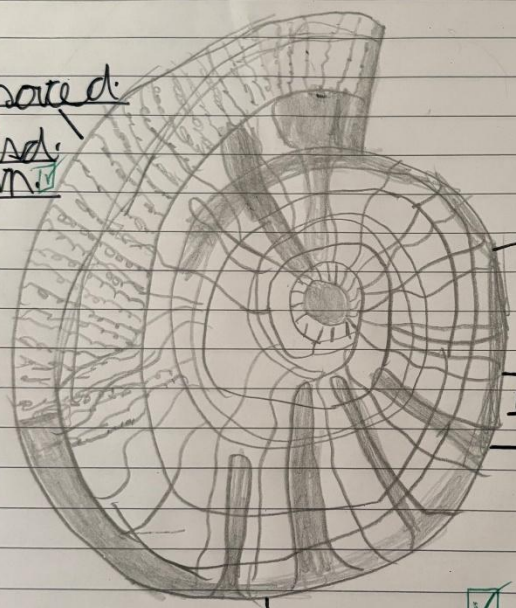

Draw an ammonite fossil carefully using a pencil.

Label your drawing with the name and type of fossil that it is.

Then find out the answers to these questions. Add some notes around your drawing using the information that you have found out. Use your own words.

Question	Page reference
Roughly, how long ago did ammonites live?	p6 – 7
How does the rock type help palaeontologists to decide where an ammonite lived?	p6 – 7
What is the innermost shell of an ammonite made of?	p10 – 11
How did an ammonite move up and down in the water?	p10 – 11

Ammonite fossil.

it moved up and down.

ammonites shell is made of salt and clay.

were it lived near limestone and sandstone

Recap

1. Slowly, I ate my dinner.
2. Kindly, She let me have a go.
3. As quick as a flash, She ran down the corridor.

1. Yesterday, we went out for dinner.
2. Last night, they had a sleep over.
3. In the olden days, people had black and white
4. On Monday, I plaed with lego.
5. In the morning, my dad ~~went~~ went shoping.

A few ~~weeks~~ weeks ago, I went to Grese. Greece

In year one, I went to Malta.

Whin I was little, I had a mini slide.

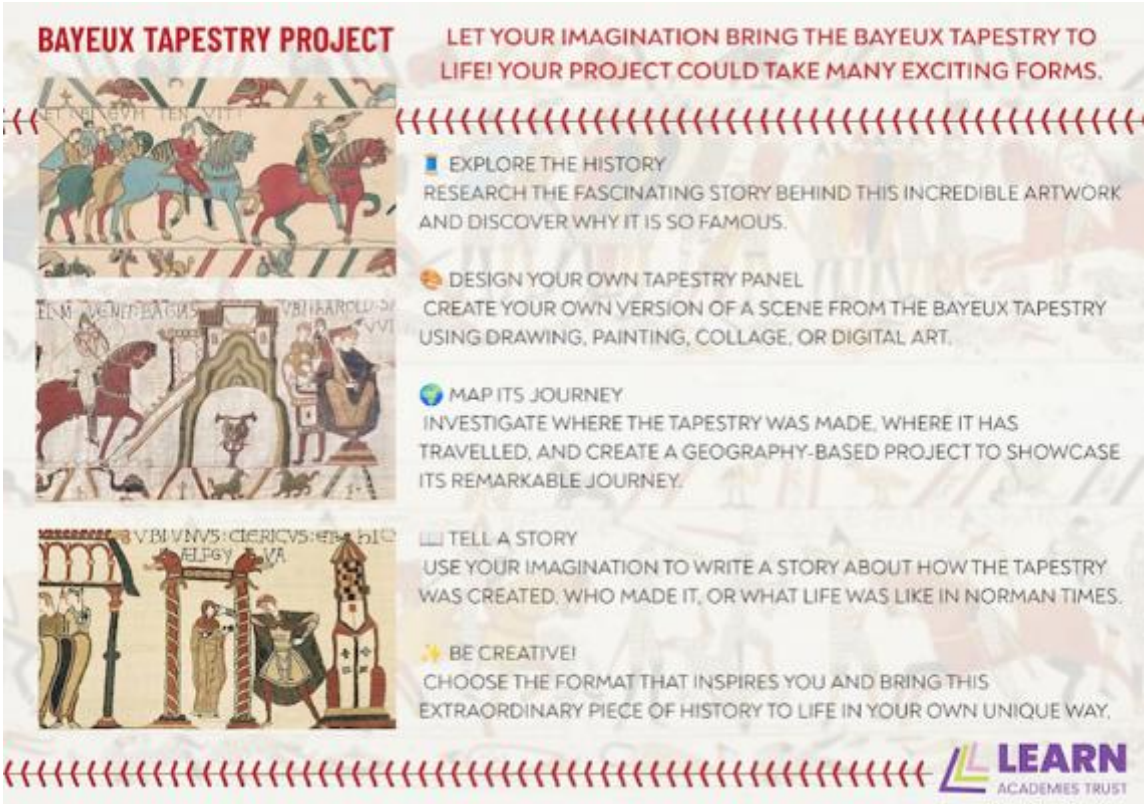

Swimming Transport Funding Update

We are delighted to let you know that **Hanbury Trust Charity** has kindly agreed to fund the cost of transport for all swimming lessons for the entire academic year.

We would like to extend our sincere thanks to Hanbury Trust Charity for their generous support. Their contribution will reduce the cost of swimming lessons for our families from £62.90 to £18.65 while ensuring that our pupils continue to benefit from this valuable learning opportunity.

This funding will be reflected on **Arbor** shortly. Parents who have already made payments towards transport costs will receive refunds, and the payment amounts for future swimming sessions this year will be adjusted accordingly. Updated payment items will be available on Arbor next week.
