

Maths: We have been learning about number order, using language like greater than or less than to compare numbers to 100. We know how to look at how many tens and how many ones are in a number then decide if it is greater than or less than another.

History: Our topic this half term has been The Great Fire of London. At the minute we are learning about how the fire was eventually put out and what happened next.

Explain

- By Wednesday 5th September 1666, St Paul's Cathedral was destroyed. 
- The wind changed direction and started to blow from the west. 
- This meant the fire turned back towards The Tower of London.
- A lot of gunpowder was stored in The Tower of London. 
- Houses all around the tower were pulled down or blown up to make a firebreak.

RE: We have been starting to learn about Islam. Our big question for this half term is 'Who is a Muslim and how do Muslims live?'

*Can you remember
what we learned
from these pictures?*

Muslims believe in Allah.

*Allah is the Arabic word
for God.*

*Many Muslims try to
remember the 99
Beautiful Names of Allah.*

Science: Our current topic is 'Living Things and Their Habitats'. We have been busy exploring the school grounds to see what plants and animals live there. We have been investigating whether the same plants and animals live in each area (microhabitat) or whether these differ. We have been developing our scientific observation skills by using magnifying glasses to look at details carefully and closely.

Harvest Festival

It was wonderful to see the church full of the school community for our Harvest Festival this morning. The children performed wonderfully and the creativity in the variety shown was fantastic. Thank you to all those who could join us.

Could we ask that for future events in church that as many parents remain as possible so that the children from all year groups get to showcase their hard

work. We recognise it can be difficult with work commitments but ask where possible that observers remain for the whole service.

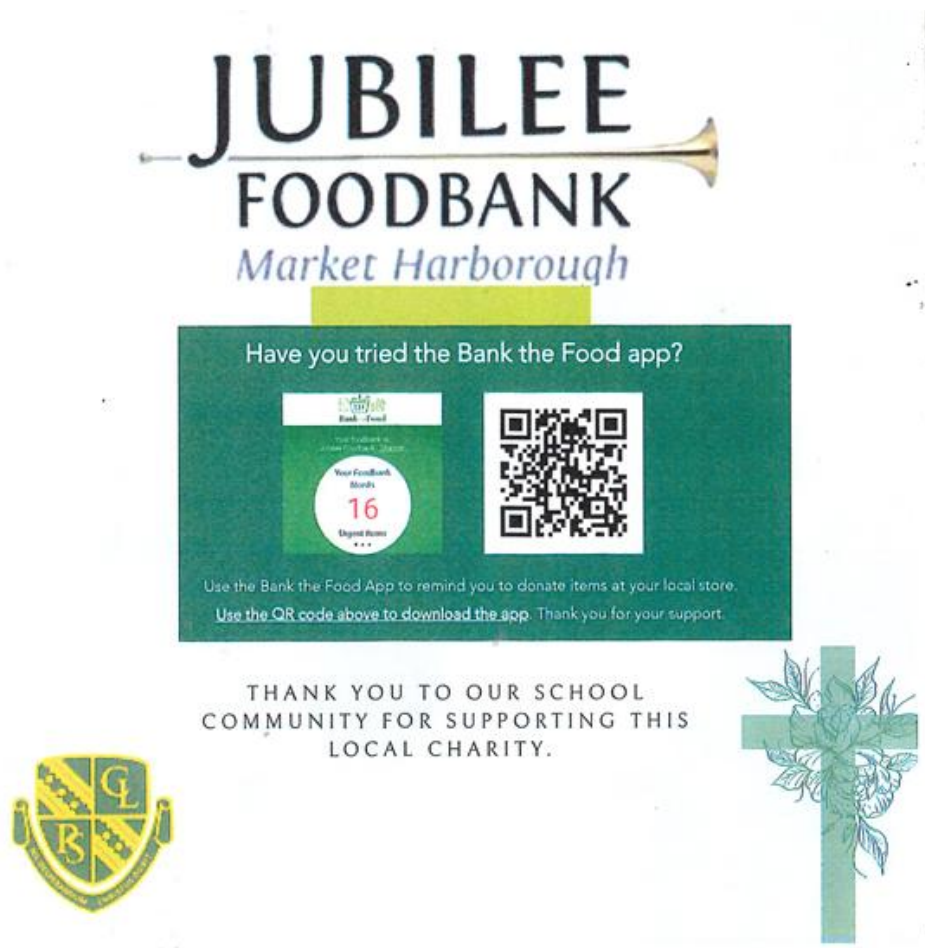

Thank you for your help in supporting the children when they come to church. Seeing parents can sometimes affect the children's emotional regulation so it was lovely to see parents waving and acknowledging their children whilst remaining in the adult sections of the church so that teachers could manage their classes effectively.

A huge thank you to Hambleton Bakery for a truly inspirational baked 'sheaf of wheat' which took pride of place at the front of church. This was kindly orchestrated by Mrs Bevan so a big thank you to her as well.

WE WOULD LIKE TO EXTEND OUR HEARTFELT THANKS TO
HAMBLETON BAKERY IN OAKHAM FOR THEIR KIND
DONATION OF THE BEAUTIFUL SHEAF MADE FROM BREAD
FOR OUR HARVEST FESTIVAL CELEBRATION.

We were also very thankful to be joined by another part of the local community, Alison and Mike who represented Jubilee Foodbank and reiterated how vital donations are towards this charity and the good work it does. Finally, thank you to you, our school community, for your generous generations to the foodbank, we are always blown away by your generosity and care.

School Uniform

Now we are in the month of October, can children now be attending school in shirts and ties and no longer using the summer polo shirt uniform option.

LearnAT Bayeux Tapestry Project

A poster for the 'BAYEUX TAPESTRY PROJECT' by Learn Academies Trust. The poster features three panels of the Bayeux Tapestry on the left. The right side contains a list of project ideas with icons: a book for 'EXPLORE THE HISTORY', a paint palette for 'DESIGN YOUR OWN TAPESTRY PANEL', a globe for 'MAP ITS JOURNEY', a speech bubble for 'TELL A STORY', and a star for 'BE CREATIVE!'. The bottom right corner has the 'LEARN ACADEMIES TRUST' logo. The entire poster is framed by a decorative red and white border.

BAYEUX TAPESTRY PROJECT

LET YOUR IMAGINATION BRING THE BAYEUX TAPESTRY TO LIFE! YOUR PROJECT COULD TAKE MANY EXCITING FORMS.

-  **EXPLORE THE HISTORY**
RESEARCH THE FASCINATING STORY BEHIND THIS INCREDIBLE ARTWORK AND DISCOVER WHY IT IS SO FAMOUS.
-  **DESIGN YOUR OWN TAPESTRY PANEL**
CREATE YOUR OWN VERSION OF A SCENE FROM THE BAYEUX TAPESTRY USING DRAWING, PAINTING, COLLAGE, OR DIGITAL ART.
-  **MAP ITS JOURNEY**
INVESTIGATE WHERE THE TAPESTRY WAS MADE, WHERE IT HAS TRAVELLED, AND CREATE A GEOGRAPHY-BASED PROJECT TO SHOWCASE ITS REMARKABLE JOURNEY.
-  **TELL A STORY**
USE YOUR IMAGINATION TO WRITE A STORY ABOUT HOW THE TAPESTRY WAS CREATED, WHO MADE IT, OR WHAT LIFE WAS LIKE IN NORMAN TIMES.
-  **BE CREATIVE!**
CHOOSE THE FORMAT THAT INSPIRES YOU AND BRING THIS EXTRAORDINARY PIECE OF HISTORY TO LIFE IN YOUR OWN UNIQUE WAY.

 **LEARN**
